

Using Your Naviance Account

NAVIANCE. To begin using your NAVIANCE account:

1. Go to <http://connection.naviance.com/berrycms>
2. Log in by using your student ID number (with the s in front)
3. Use the password: Naviance, unless you have logged in before and changed the password to your 8-digit birthdate (MMDDYYYY).
4. Once you are logged in, if you have not already changed your password, go to ABOUT ME > OFFICAL THINGS > PROFILE, add your email address and your parent contact info (Mailing address, not physical) and change your password to your 8-digit birthdate.
5. Go to ABOUT ME > SUCCESS PLAN > GOALS and type in a goal: (example) “I will complete my assignments on time for this semester.” I increase my letter grade by mid-terms.”

If you have not already completed the Career Interest Profiler:

6. Visit CAREERS > WHAT ARE MY INTERESTS > CAREER INTEREST PROFILER, and add careers and career clusters you are considering. This will take 20-25 minutes; there are 180 questions.
7. Read the results of your profiler.
8. Click “View Matching Occupation List” and read through the occupations.
9. Select 5 occupations (careers) that interest you, click the link, and select “add to list.”
