Dear EVHS Community,

Welcome to the start of the 2018-19 school year. Our excitement continues with the growth and development of our incredible school community at Eagle Valley High School. At EVHS we envision a school that can “Expect More” of everything that we do. We have high ambitions and are working to maximize the potential of every person and program in our building. This has led us to the following commitments....

- Serve the Students, Families, and Staff who make up our community. We want to do our best to meet the needs of a diverse population by including everyone from our community in our process and outcomes.
- Achieve excellence in the areas of Academics, Athletics, and Activities. Focus on a balanced approach that provides opportunities for students to connect and experience success in everything we offer.
- Build programs to provide Rigor, Relevance, and Results. What we are doing here is preparing students for life beyond high school and the only way to do that is with high expectations that produce results.
- Expect Respectful, Responsible, and Accountable behaviors. We believe that this commitment can be achieved by following three simple rules. Know Right from Wrong and Do What's Right! Always Do Your Best! Treat People with Respect!

The thrilling news for EVHS in 2018-19 relates to our building expansion, addition, and renovation. Thanks to the support of Eagle County voters in the 2016 election, EVHS will be opening the doors to our new facilities. Due to the completion of construction, we will not have access to all parts of our building leading right up to the first day of school. To celebrate and put on display all of our new opportunities, we will be hosting a ***Community Open House and Back to School Night on Thursday, September 6th starting at 6:00pm***. We welcome all of you to attend so you can see everything that has been added and changed around campus.

Contained in the rest of the newsletter is all the information and resources for the start of the year. Be sure to pay extra attention to some of the calendar, scheduling, and paperwork items that come very early.

- Tuesday, August 21st to Friday, August 24th – REGISTRATION – you will need to complete all registration via an online process. These dates are reserved for students to come in and have their ID pictures taken, pay class fees, and confirm their class schedules.
- Tuesday, September 4th – FRESHMEN ONLY – This day is dedicated to Freshmen Orientation by our Link Crew of student volunteers. For all the other students, 10<sup>th</sup>- 12<sup>th</sup> Grades, classes will begin on Wednesday, September 5th.
- Wednesday, September 5th – First Day of School for all students grades 9-12. This is on our late start Wednesday so busses will be running on their late schedule and classes begin at 9:50am with 1st period.

We do have a new bell schedule for 2018-19 school year. We have altered our schedule to include a new time called "Access" period. The goal was to have "ALL teachers available to ALL kids". Altering schedule allowed time for a combination of Access and Homeroom periods that will meet every day of the week.

- Access - end of day M,T,W,F with students getting academic support from teachers.
- Homeroom - Thursday only for schoolwide lessons, assemblies, etc.

All teachers will be assigned a section of students for Homeroom/Access, attendance will be taken, and grades assigned. As this is a change for everyone we will be working with students during the first days/weeks of the school year on the expectations and protocols of our new bell schedule. Below is a copy of the schedule for your reference.
