Parental Consent

By signing this application below, the parent/guardian provides permission to the district to collect information from your child's current and previous teachers, including interview and rating scale data. In addition, you are also providing your consent to allow the child to be observed, interviewed, and screened for readiness by district staff. If deemed necessary by the district gifted education coordinator and the child study team, you are also providing consent for a school psychologist to administer formal standardized tests of mental ability and achievement. This signature also allows the district to share testing information with members of the school determination team. Applications must be received by May 1st for acceleration for the following school year.
