Policy for: **Distribution and Sale of Competitive Foods - SUMMARY**

The following is a summary of a few items from the full policy covering the sale of food on school campuses beyond the school meal program.

- 1. No consumable products, food and/or beverages, may be sold on a school campus by any individual or group during a school day without approval by the Nutrition Services Department of Eagle County Schools.**
2. This policy applies to fundraisers that are organized through student stores, culinary arts programs or by student clubs, parent groups, booster clubs, associated student body groups, teachers, students, or staff.
3. A “school day” is defined as the period from midnight before through to 30 minutes after school.
4. Application must be made and approved by the Director of Nutrition Services prior to the publication or sales of food and beverages.
5. All food sold outside the school meal program, on the school campus, during the school day must meet, at a minimum, the nutrition standards set by Nutrition Services (*see the full policy for details*).
- 6. Absolutely no food or beverages may be sold on a school campus during school meal programs (45 minutes prior through to 45 minutes after any scheduled breakfast or lunch). This includes any sales approved by the Nutrition Services Department.**
7. This policy included the distribution of free products and/or samples.

To make application to sell food products use the appropriate form and return it to the Nutrition Services Department.
