

*How's Your  
Summer Going  
Tigers?*

Dear Tigers,

I hope all of you are enjoying staying up late, sleeping in, and reading a good book in between! So far, I have enjoyed 2 fiction novels and one nonfiction book. I am currently reading, The Great Alone, a story about a man who moves his family to Alaska and the hardships they endure as they begin a new life. If you haven't dug through your Camp Minturn Tiger's summer work bag, now would be a good time to do so.

If you would like to tell me about the book you are reading you can email me at [marcelle.laidman@eagleschools.net](mailto:marcelle.laidman@eagleschools.net). Or, you can write me a letter and mail it to: Marcie Laidman, PO Box 334, Eagle, CO 81631.

Eat, sleep, and read!
