

# PSAT/NMSQT

<b>Where</b>	Battle Mountain High School
<b>When</b>	October 11 <sup>th</sup> , 2017
<b>Who</b>	Juniors ( <b>not mandatory</b> )
<b>Cost</b>	\$20.00 (payable to BMHS front office)
<b>Deadline</b>	Students must sign up for this test by <u>September 22<sup>nd</sup>, 2017</u>

The PSAT/NMSQT is one of the College Board's standardized assessments that allow juniors the opportunity to earn National Merit Scholar distinction. It is not a mandatory test and is not to be confused with other versions of the PSAT.

This test is specifically geared for junior level students. Freshman will take a PSAT 8/9 in the spring and sophomores will take the PSAT 10 in the spring. While this test is available for freshman and sophomores, it is primarily a junior test. The PSAT 8/9 and PSAT 10 **ARE** required by the state of Colorado for 9<sup>th</sup> and 10<sup>th</sup> graders this spring. This test would not replace the obligation for them to take those assessments in the spring.

For more information regarding the PSAT/NMSQT please see the other attachment directly from College Board.
