

It's Time to Move Some Dirt!

What: A Ground Breaking Ceremony for the new Preschool Addition at Red Hill Elementary School

Where: Red Hill Elementary School
100 Grundel Way
Gypsum, Colorado 81637

When: Wednesday, April 12, 2017 at 3:30 pm

Come help the Bear Cubs celebrate the ground breaking of the new Preschool Classroom Addition. With the Community support passing 3A & 3B, we are building for the future with over \$2.0 million in improvements planned on this site in the next 6 months. This is the first ground breaking activity for the \$144 million in facility improvements planned at Eagle County Schools. Please join the Board of Education, Superintendent of Schools Dr. Jason Glass, Red Hill ES staff, and your neighbors in recognizing this exciting milestone.
