## Join us to Defy the Predictable!

Where radically real ideas are delivered by youth and prominent figures in our valley. This event, organized solely by the valley's youth, boasts ideas worth sharing that will open your mind to intimate revelations, brilliant creativity, and deep data. You'll find live speakers, hands-on activities, hand-picked TED Talks and fascinating conversations with designers, technologists, politicians, artists, performers and more! Nine speakers will share short talks in two sessions on how they Defy the Predictable, serving both as a source of knowledge and inspiration for youth in the Vail Valley.
