

How to change a student's s# password (ARMS - <https://accounts.eagleschools.net>)

All student accounts start off with their initial password based on their DOB, but there are two variations based on when their enrollment date was "new" to the district:

Username:	s#	(example: s300001234)	
Password format:	MMDDYYYY	(note: no dashes)	enrolled prior to Sept. 2013
Password format:	MM-DD-YYYY	(note: dashes = MM-DD -YYYY)	enrolled Sept. 2013 and after

Students have the ability to change their own password at <https://accounts.eagleschools.net> so the above only applies to the initial creation of their account.

All teachers/staff in a building also have the ability to change these passwords using ARMS:

1. By logging into <https://accounts.eagleschools.net> with their e#
2. Clicking on Account Management on the left
3. Then the Students tab
4. Search for a student(s)
5. Change Password (you can also change passwords for a group of students to the same password if you wish)
 - o It's recommended to set it to their DOB as **MM-DD-YYYY** (with the dashes)

The screenshot shows the ARMS Account Management interface. The browser address bar displays <https://accounts.eagleschools.net/arms/protected/#/ACCOUNTMGMT>. The page title is "Access Request Management System" and the user is logged in as "e025011". The "Account Management" section is active, showing a "Teacher delegation of student accounts" interface. The "Change Password" button is highlighted with a red circle. Below the buttons is a search bar and a table of student accounts. The table has columns for First Name, Last Name, Email, Username, Department, and Grade. The first row is selected, showing "test" as the first name, "student" as the last name, "test.student@cschools.me" as the email, and "s300001234" as the username. The "Account Details" panel on the right shows the student's name, email, and username, with the "Account Locked" status set to "False".

First Name	Last Name	Email	Username	Department	Grade
test	student	test.student@cschools.me	s300001234		

Account Details for test student:
test.student@cschools.me
Username: s300001234
Account Locked: False
