

**Dear Family Member,**

Enclosed please find the Head Start and Colorado Preschool Program application you requested. **We are currently accepting applications for the 2022/2023 school year.**

**Head Start** is a federally-funded program to support young children and their families through education, health and family services. **Colorado Preschool Program** is state funded and has similar goals. Eligibility for these programs will depend on the family's income and other risk factors.

Space is limited, so if you do not qualify for one of the programs above you may also choose to have your child placed on the tuition waitlist at any of our preschools; this requires that you will pay the monthly fee directly to the school/program you choose. Please ask anyone on our team to assist if you need additional information. Our program is designed to help your child succeed in school and life.

**In order for your application to be processed you must submit a copy of:**

- **Child's BIRTH CERTIFICATE;**
- **Child's IMMUNIZATION RECORDS; and**
- **INCOME VERIFICATION for the gross income in your household for the last 12 months.** Please include all income earned by both parents and/or guardians **in** the household. You can present the following documents: **W-2 income records and most recent paycheck stub**, a written statement from your employer describing your pay history, records of any public assistance received, and records of unemployment benefits, among others. Please contact us if you are unable to provide documentation of income or if both parents/guardians are not receiving any type of income at this time.

Decisions regarding enrollment for the 2022/2023 school year will be made in the spring and summer of 2022. All applicants will receive notification regarding the status of their application by August 2022. If you have any questions, please don't hesitate to contact us at 328-3942.

**Sincerely,**
