

Parent/Student Questionnaire: Visual Arts

PART A (to be completed by parent/guardian):

Student Name: _____ Grade: _____ School: _____ Date: _____

We want to learn more about your child and the types of activities and interests in visual arts you have observed at home. Please check the characteristics that describe the **typical** behaviors of your child:

- _____ Has an appreciation of beautiful objects, artwork or photographs
- _____ May be asked by others to do artwork
- _____ Draws or doodles a lot
- _____ Capable of “finding” or “making” art
- _____ Enjoys and appreciates, or may be critical of, own art work or the work of others
- _____ Takes pride in doing things well
- _____ Creates outstanding original artwork
- _____ Likes to use many different materials
- _____ Enjoys talking about, collecting or looking at works of art
- _____ Masters basic art skills quickly and easily and/or at an early age
- _____ Has a keen sense of humor; makes unusual connections with drawing
- _____ Concentrates on art projects for long periods and may shut out all else going on
- _____ Creates exceptional charts, graphs, models, or visuals when given the opportunity
- _____ Demonstrates elaboration in artwork
- _____ Has self-confidence and sets high personal goals
