Dear Students and Parents/Guardians,

High School is a very special and exciting time in every student's life; it brings many memories, reflection, and opportunities. One such opportunity is to purchase a yearbook. Yearbook purchases must be completed online at jostensyearbooks.com prior to **February 28, 2019**. The *only* place to purchase yearbooks is online through Jostens; this is a SEPARATE purchase from registration fees, caps & gowns, class rings, or other traditional school paraphernalia purchases. Pre-ordering a yearbook is the only way to make certain that your student will receive a *2018-2019 Yearbook* in the Spring when they are published (approximately May 2019).

Please also note that to ensure that your student's picture is published in the yearbook they must take a picture upon registration or at the make up time scheduled. This is the *only* way underclassmen photos are uploaded to be published. The yearbook committee works diligently to ensure that each student is represented; however, the committee *will not and cannot* track down individual students in order to make sure that their picture is in the yearbook, it is the *responsibility of the student* to make sure that they are present for official student picture times.

Sincerely,

The Yearbook Committee
